Edward Brown Seriously Injured While at Work-Falls Fifteen Feet-Eugene Carroll Crushes Foot in Eleva tor-Notes.

Edward Brown of Central avenue, employed at the U. S. Finishing Co., met with a serious accident Thursday afternoon while performing his duties at that factory. Mr. Brown's duties are to operate an aerial trolley which runs across the canal from one part of the mill to another, carrying bales of gray goods from the storehouse to one of the rooms. Mr. Brown had been operating the trolley during the afternoon but on one of the tribs across the canal carrying a bale trips across the canal carrying a bale of gray goods, something gave way, letting the bale and Mr. Brown fall to the ground, a distance of about 15 feet, severely injuring the operator. A physician was called and did what he could for the injured man, but deemed it advisable to call the ambulance which took the man to the Backus hospital. At the hospital it was learned that Mr. Brown's injuries consisted of a fractured wrist and several bruises and a severe shaking up. The man's back was strained but whether there is more serious injury had not been determined late Thursday even-
